fashionable...

With the world becoming a global village, with creative minds growing wiser, with technology in the fashion industry growing manifold and with experiments becoming the norm de jour, the fashion world is witnessing an era of mix and match. Think, designs followed with cultural, social and geographical dimensions.

overall attitudes

With the world becoming a global village, with countries waking, growing faster, with technology in the fashion industry growing manifold and with entertainment becoming the trend de jour, the fashion world is witnessing an era of style and diversity. Trend, design, colour, social and generational diversities.

also trends

With the world becoming a global village, with creative minds growing wider, with technology in the fashion industry growing manifold and with experimentation becoming the trend de jour, the fashion world is witnessing an era of mix and match. Thus, design takes on all cultural, social and geographical diversities.
