fashionable...

With the world becoming a global village, with creative minds growing wiser, with technology in the fashion industry growing manifold and with experimentation becoming the modus vivendi, the fashion world is witnessing an era of mix and match. Think, designs followed with cultural, social and geographical dimensions.

also trends

With the world becoming a global village, with creative minds growing wider, with technology in the fashion industry growing manifold and with experimentation becoming the trend du jour, the fashion world is witnessing an era of mix and match. Thus, design takes on all cultural, social and geographical diversities.
